

Burnley Maintained Nursery Schools Summit

Friday 12 October, 1pm-2.30pm

Burnley Football Club, BB10 4BX

Maintained nursery schools have a critical role to play in the delivery of high-quality early years education, but their future has been left uncertain by the government's new approach to early years funding.

They face a cliff edge in 2020 where their funding will drop to unsustainable levels. Join with NAHT and Julie Cooper MP to fight for long-term funding of our maintained nursery schools.

Speakers at our public meeting include:

- > **Julie Cooper - MP for Burnley**
- > **Beatrice Merrick - CEO, Early Education**
- > **Judy Shaw - NAHT Vice-President and Head at an infant and nursery school**

This is a FREE event open to staff, parents and governors at all schools, not just maintained nursery schools. You do not need to be a NAHT member.

To book your place, please email organising@naht.org.uk.
